

Sakthi Foundation Activities in India for the year 2012

Our major focus is on the school. Three of the Sakthi Schools have done very well in the 2012.

1. Namma Veedu Montessori integrated Uni5 Infancy center - Sendurai

[35 children, 2 child assistants, 3 helpers]

Namma Veedu Montessori integrated Uni5 infancy school project in **Sendurai village, Natham taluk, Dindigul district, TamilNadu** has completed 5 years of serving village children with Montessori

integrated Uni5 pattern of child education. Children

from 1 year to 5 years are coming to this school. They are appreciated for their social values, life skills, civics sense and sharp awareness in self connection and creativity by all schools where they went for higher grades. **"Send your child atleast for 6 months to Namma Veedu"** is the latest feedback given to villagers by other schools.

2. Namma Veedu Montessori integrated Infancy center - Theethipalayam

[31 children with 2 coordinators, 2 child assistants and 2 helpers]

Namma Veedu Montessori integrated Uni5 infancy school project in **Theethipalayam village, Coimbatore district, TamilNadu** has completed 2 terms By

January 11th, 2013. The children are from both village and urban setup. The system has been understood by the parents and specially regarded for

its human values and learning skills. The self-learning and self-connection nature of the children has been well observed by the parents. The school is getting planned to expand its service to more children by June, 2013. We also thank the selfless efforts taken by the coordinators in managing the center.

3. Online spoken English sessions for village children - conducted by Ms.Balambika

a. Andavar elementary school - Poraiyar [250 students are gaining through this project]

We saw children in Poraiyar very much involved in spoken English session daily. Grade 5-8 has been involved in this project. English teachers said that after attending the spoken English program students are much aware and interested in daily English classes and trying to perform well. One of the senior most teacher said that the fear about English language has been removed by this session. Vocabulary and reading skills has been much developed.

b. Students from Madurai Seed Trust - Karumbalai - Maduari [Sessions are being conducted by Ms.Balambika] 20 students of various age groups are being trained by Balambika. They are changing their period of learning once in 3 months. The students have developed their creative writing skills, reading and spoken skills.

3. Free eye camp has been conducted by Mr.Jeyaraman in Sendurai village.

Around 360 villagers have been examined by doctors from Madurai Aravind Eye hospital.

A total Number of 376 people walked in for check up. Out of these 82 were

taken to Madurai Aravind Eye hospital for surgery. A 60 patients were given eyeglass at free of cost. This is our sixth free eye camp. The hospital has invited us and thanked specially in an occasion for the service.

5. **Thillaiadi Valliammai Montessori center in R.B school - Poraiyar sponsored by Sakthi foundation.** We have completed 2 years by serving to 20 children from very low income families. The center is being conducted in R.B Government aided school in Poraiyar - Nagapattinam district in Tamil Nadu. The school has been cared by 1 child assistant. She is being paid by us. The children are more aware about language, social and civics skills. More focus in learning, speed development in writing and reading has been observed by the Grade 1 staff.

6. CAC - CCC AND COC Sessions

Dr.Madeswaran's free discourses, sessions about spirituality, child care, child education, family issues, arts and heritage through CAC, CCC and COC sessions.[From 2010 October these sessions are being conducted once in a week.] He takes the sessions through cell phone and visits them twice in a month.

a. CAC [Connecting adults to the culture] - Kamachipuram - Ondipudur - CBE,
Ramalinganagar - Coimbatore

[For the past 2 years, 20 adults are attending the sessions on all Fridays. The adults are visiting nearby temples and villagers for spiritual sessions, shlokas chanting and bajan concerts. They also collect money among themselves and celebrate all the value based festivals in the center for the public to become aware about the life and spirituality.]

In Ramalinganagar - Coimbatore we have 50 adults who are taking the concepts and

practicing them in day to day life. We have age levels from 30 - 85 years. We also teach classical music to them. They have performed 1 big concert. They sponsor their Sakthi mandala savings for the Coimbatore school.

b. CCC [connecting children to the culture] -
AlwarThirunagar - Chennai, Theethipalayam - Cbe

Around 20 children are learning spiritual concepts and classical music. In Coimbatore 4 musical concerts has been performed by the children before the villagers. In Chennai 2 concerts has been performed by the children. The amount Rs.100 given by them has been used to pay the school fees of a 4th grade student in Coimbatore.

c. CAC in Thiruvannamoyoor - Chennai for a family with 3 members has been conducted by Dr.Madeswaran for 2 years on all Sundays. They sponsor Rs.2500 for Poraiyar School. The family is a well-educated family which is much interested in taking the traditions and heritage with their own life.

d. COC [connecting corporates to the culture] - ABN Drugs Pvt LTD, Chennai

Every month Dr.Madeswaran is addressing 15 young candidates [20-35 years old] with various spiritual topics. The topics will be interconnected by them with their office, business and life. The candidates are very much interested. They have taken the COC

and Uni5 pattern concept among doctors in Chennai and made few to attend the sessions. They take much pain in spreading the talks and special calendar has been printed by making use of Dr.Madeswaran's drawings for this year. They also pay Rs.2500 every month for his session out of which the trust in paying Rs.1000 to a cerebral palsy baby in Erode every month. Mr.Arulbalaji is the M.D of the company who is being totally responsible for the development of this project. On 26th December Dr.PradheepKumar addressed the COC session.

7. Uni5 personality development project with Pudhiyadoor Trust for underprivileged children in Chennai [June to May 2013] in 3 centers. [Ramavaram, Saligramam and Urkuppam fishermenclave] Uni5 level of personality development has been implemented by Dr.Madeswaran under the total guidance of Dr.PardheepKumar. 110 children from the age of 6 -16 are attending this session.The project's main objective is to improve the awareness of children in developing their body-mind-intellect level growth. The respond from the parents, teachers and students makes us very happy. A parents [fisherman] says, **"my girl is well dressed and her manners are clean and good, she looks different in our slum"** This project will be completed in May. We are associated with this trust for past 5 years. We thank Dr.Narayanan sir - the founder for supporting us in implementing this great Uni5 personality development session.

8. Alternate medication by Dr.Pradheep through online.

9. Dr.Madeswaran conducted a day workshop for children and parents regarding child development and child psychology in Malleshwaram - Bangalore - May 2012. [First Saturday]

10. We are still extending our help to Miss.Rajeshwari for her SriKrishna Montessori Center by providing our materials till April 2013.

11. Through various public talks and sponsorships we have donated Rs.25000 to the cerebral palsy baby in Erode for his treatment.

12. The trust has also sponsored for medication of our project care taker [we do not want to mention the name and town] in Salem town for his medication after a horrible fire accident.
